

K!DS ON THE MOVE

Activity: Shovel The Snow Relay

Objective: Fill your bucket with snowballs! The team that fills their bucket first wins!

Materials Needed: 2 buckets, 2 mini shovels, beanbags or ping-pong balls

Directions:

1. Set out two cones about three feet apart. place a bucket about 5 yards in front of each cone.
2. Divided your students into two groups. Have each group line up behind a cone.
3. When you say "go" students must pick up one snowball at a time with their shovel (no hands) and carry it to their bucket without dropping it. if it drops, they must begin again.
4. Repeat until all the balls are in the bucket. the team that finishes first wins.
